HealthNet to Offer H1N1 and Seasonal Flu Vaccine Saturday

Indianapolis HealthNet's six community health centers will offer H1N1 and seasonal flu vaccine Saturday, October 24 from 10 a.m. until 2 p.m.

The H1N1 vaccine will be available only for those in the at-risk group. Vaccinations will be given on a first-come, first serve basis.

The HealthNet Clinic sites include:

- Barrington Health Center, 3401 East Raymond Street
- Martindale-Brightwood Health and Dental Center, 2855 North Keystone Ave
- HealthNet Pediatric and Adolescent Care Center, 1633 North Capitol Avenue
- People's Health and Dental Center, 2340 East 10th Street
- Southeast Dental and Health Center, 901 Shelby Street
- Southwest Health Center, 2202 West Morris Street
